ABOUT

CourieMate

CourieMate is a leading last-mile delivery company in Uganda, breaking through the barriers of a poor address system using ICT innovations to provide a supreme last mile delivery service to our clients.

Our mission is to establish a society that everybody can deliver goods in safe, whenever they want.

CourieMate is a start-up company founded in May 2016 by Jun Ito, Japanese entrepreneur, providing last mile delivery solutions

Whether to Moroto or Kabale, the couriemate coverage spans across over 130 districts of Uganda with Well trained and qualified agents to handle your parcels and deliveries.

LAST MILE DELIVERY

Solid presence in 130 districts in Uganda.

CourieMate leads the pack when it comes to last mile delivery in Uganda with the growth of online shopping all over the world.

CourieMate has curated a stable system of operation that handles of all the complexities of last mile delivery whilst ensuring that the deliverables are secure and delivered on time.

CASH ON DELIVERY

CourieMate is breaking through the barrier with a cash on delivery service, and makes e-Commerce fulfillment easy with our cash on delivery service.

This Service allows you to place an order for your goods and then make payment as the items are delivered to your doorstep thus averting the risks mentioned above.
